2024 HALO VIPS

Each year our team shines a light on our top collaborators and clients who embody VIP's values.

- **We believe** everyone's a "VIP".
- **We believe** all people are connected by shared humanity.
- **We believe** all communities can control and determine their own future.
- **We believe** that creating a healthy future, requires eliminating the root causes of racial inequities.
- **We center** the aspirations, lived experiences, and perspectives of communities of color in all we do.
