You've been "*HALOED!*"

Each year our team shines a light on our top collaborators and clients who embody VIP's values.

- **We believe** everyone's a "VIP".
- **We believe** all people are connected by shared humanity.
- **We believe** all communities can control and determine their own future.
- **We believe** that creating a healthy future, requires eliminating the root causes of racial inequities.
- **We center** the aspirations, lived experiences, and perspectives of communities of color in all we do.

This 2025 signature award acknowledges the light you bring to this work. Thanks for journeying with us! We kept it live in 2025 and can't wait for the remix 2026!
